I, James J. Naples, am the President of Texas Pharmaceuticals, Inc., a Texas corporation located at 701 West 14th Street, Texarkana, Texas 75501 ("the corporation"). I am duly authorized to sign on behalf of the corporation.

The corporation is the assignee of all rights and title in and to the invention that is the subject of this patent application. This is shown in the renewed petition under 37 C.F.R. § 1.47(b) that accompanies this declaration. As described in the accompanying renewed petition, both inventors, Nicholas Bachynsky and Woodie Roy, have refused to sign this declaration, which has been presented to them for execution. The corporation is therefore signing this declaration, under the provisions of 37 C.F.R. § 1.47(b), on behalf of and as the agent for both inventors. This action is necessary to preserve the rights of the parties and to prevent irreparable damage which will result if the application becomes abandoned.

I have information and belief that the facts in this declaration which the inventors would be required to state, if they signed, are accurate and true, and it is on this information and belief that I execute, on behalf of the corporation, this declaration on behalf of and as the agent for both inventors.

The undersigned being hereby warned that wilful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. § 1001, and that such wilful false statements and the like may jeopardize the validity of the application or any patent issuing therefrom, I declare that all statements made herein by my own knowledge are true, and that all statements made herein on information and belief are believed to be true.
